1. EXECUTIVE SUMMARY

COMPANY OVERVIEW

Centurion Healthcare is an India based Manufacturer and Exporter of pharmaceutical products committed to improve the lives of patients.

Established in 2012, Centurion Healthcare Private Limited in Gujarat State, India seeks to deliver truly innovative and life changing treatments by forging partnerships using some of the world's most advanced pharmaceutical technology.

Centurion Healthcare has more than 750+ formulations registered in different countries, on the back of strong regulatory support to our clients.

It was a pioneering venture in the area of pharmaceutical products aimed at addressing a big vacuum in the market for high quality products.

The Company is engaged in the manufacturing of various dosage forms i.e. Tablets, Capsules, Oral liquids, Ointments and Injections, etc.

Our offered products are manufactured using optimum quality raw material, in tandem with international quality standards by a team of highly qualified professionals. Further, we make sure these products are available to the customers at adequate prices in the market within stipulated time frame, in order to stand efficiently by their expectations.

We supply at competitive prices with minimum and maximum quantity according to the requirement of the customers. We are capable of fulfilling the urgent and bulk requirements of the clients in the best possible manner. We export our products in different parts of the world. Considering the rapidly growing pharmaceutical market, the company has upgraded the facilities to meet the requirements of national and international agencies and authorities.
